SIGN IN

In Windows, click **Start** > **Microsoft Teams**.

On Mac, go to the **Applications** folder and click **Microsoft Teams**.

On mobile, tap the **Teams** icon. Then sign in with your Office 365 username and password. (If you're using Teams free, sign in with that username and password.)

START A CONVERSATION

With the whole team:

Click **Teams**, pick a team and channel, write your message, and click **Send**

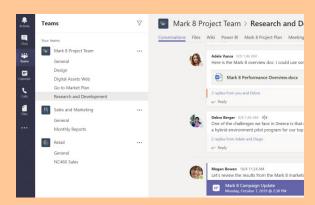

With a person or group:

Click **New chat**, type the name of the person or group to the **To** field, write your message, and click **Send**

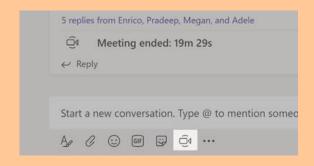

PICK A TEAM AND CHANNEL

A team is a collection of people, conversations, files, and tools—all in one place. A channel is a discussion in a team, dedicated to a department, project, or topic. Click **Teams** and select a team. Pick a channel to explore the **Conversations**, **Files**, and other tabs.

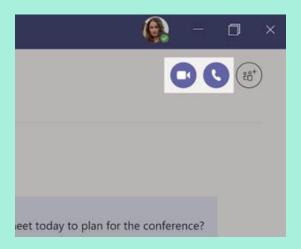

START A MEETING

Click **Meet now** under the area where you type a message to start a meeting in a channel. (If you click **Reply**, then **Meet now**, the meeting is based on that conversation.) Enter a name for the meeting, then start inviting people.

MAKE VIDEO AND AUDIO CALLS

Click Video call or Audio call to call someone from a chat. To dial a number, click Calls on the left and enter a phone number. View your call history and voicemail in the same area.

REPLY TO A CONVERSATION

Channel conversations are organized by date and then threaded. Find the thread you want to reply to, then click **Reply**. Add your thoughts and click **Send**.

Daniela, Daichi mentioned that the client had some changes to our design for the July promotional splash page. Could you make those edits before our Wednesday client sync?

I thought the client wanted to include a section about the buy one get one offer as well? Originally it was slated for August but she mentioned she got the budget.

@MENTION SOMEONE

To get someone's attention, type @, then their name (or pick them from the list that appears). Type @team to message everyone in a team or @channel to notify everyone who favorited that channel

Click **Activity** on the left. The **Feed** shows you all your notifications and everything that's happened lately in the channels you follow.

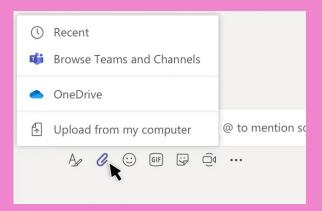

ADD A TAB IN A CHANNEL

Click + by the tabs at the top of the channel, click the app you want, and then follow the prompts. Use **Search** if you don't see the app you want.

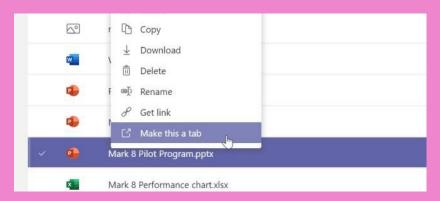

SHARE A FILE

Click **Attach** under the box where you type messages, select the file location and then the file you want. Depending on the location of the file, you'll get options for uploading a copy, sharing a link, or other ways to share.
